From

The Secretary to the Govt. of Madras
Edn. & Pub. Health Department,
Fort St.George, Madras.

R.C. No. 451-B1/48 dated the 12th March 1948.

Sir,

Sub: BASIC EDUCATION - Deputation of teachers to Perianaickenpalayam and Vinayasramam Basic Training Schools - Provision of additional equipment, etc.
Ref: Your D.O. No. 75140-B2/47.7 Edn. dated 2-3-1948.

- - -

I have the honour to state that in the comprehensive scheme submitted to the Government along with my D.O. No.40 -B1/48 dated 2-3-1948 it has been planned to depute 100 teachers (L.Ts and secondary grade). Since the accommodation in both the basic training schools at Perinaickenpalayam and Vinayasramam is inadequate and since it is not possible to provide additional accommodation immediately I propose that only 30 teachers (L.Ts) 25 from Government service and 5 from aided Training Schools may be deputed to each of the Training Schools during 1948-49. The period of training may be limited to 4 months from about the middle of December 1948 to about the middle of March 1949. A grant to cover the entire salary and the dearness allowance to be paid to the teachers of aided Training Schools deputed for retraining by the managements should be given from Provincial funds. The cost of the proposal would come to Rs. 32,160 as shown below:

1. Stipends at Rs.25 for 60 teachers for 4 months.		Rs. 6,000	
2. Pay and allowances of substitutes to be appointed in the place of teachers deputed from Govt.service			
Pay at Rs.85 for 50 teachers for 4 months.	Rs.17,000		
D.A. at Rs.24 for 4 months for 50 teahcers.	4,800		21,800
3. Pay and allowances of 10 L.Ts to be deputed from aided Training School -			
Pay at Rs.85 for 10 teachers for 4 months.	Rs. 3,400		
D.A. at Rs.24 per 10 teachers for 4 months.	960		4,360
T o t a l ..		Rs.	32,160.

2. No provision has been made for the retraining of teach in the Basic Training Schools at Perinaickenpalayam and at Vinayasr mam during 1948-49. It is proposed that 30 teachers from elementar schools may be deputed for retraining in each of the 2 training schools for a period of 5 months. The course will be from July to November 1948. For the purpose of working out the cost it is assum that 40 teachers will be from schools under District Board and Municipal managements and 20 from aided schools. Of the 40 from schools underpublic management about 30 will be higher elementary a 10 secondary grade. Of the 20 teachers from aided schools 15 will be higher elementary and 5 secondary grade teachers.

The total cost of the proposal worksout to Rs. 19,600 as shown hereunder:

Schools under Public Management:			
Stipends for 30 Higher Elemen Grade Teachers and 10 Secondary grade teachers at Rs.18 p.m. for 5 months.		Rs.	3,600
Pay of substitutes for 30 Higher Grade teachers -			
Pay. 30 x 30 x 5.	Rs. 4,500		
Dearness Allowance: 30 x 16 x 5.	2,400		6,900
Pay of substitutes for 10 Secondary Grade teachers-			
Pay .. 10 x 40 x 5.	2,000		
Dearness allowance. 10 x 18 x 5.	900		2,900

Schools under private management.

Stipends for 20 teachers at Rs. 18 for 5 months.		1,800
Grant assessment for substitutes for 15 higher grade teachers for 5 months.		
Grant: 15 x 25 x 5. .	1,875	
Dearness Allowance: 15 x 16 x 5	1,200	3,075
Grant assessment for substitutes for 4 secondary grade teachers for 5 months -		
Grant. 5 x 25 x 5 .. Rs.	875	
Dearness Allowance 5 x 18 x 5... "	450	1,325
T o t a l. .. Rs.		19,600

3. Since an additional section for freshers have to be opened in both the basic training schools at Perinacikenpalayam and Vinayasramam additional equipment is necessary for both the school. Hence I request that Government to sanction an expenditure of Rs. 2,000 for each of the 2 schools during 1948-49.

4. In the Budget Estimate for 1948-49 no provision has been made under stipends for the pupils under training and for fresh candidates to be admitted in June 1948 in the Basic Training School, Perianaicken-palayam. The omission is very much regretted. I request that the Government be pleased to make a provision of Rs. 8,532 or Rs. 8,500* under stipends for the pupils in the Basic Training School. Perianaicken-palayam and sanction the expenditure during 1948-49.

Rc. No. 40-H/48 dated the 1st September 1948.

Sir,

Sub: BASIC EDUCATION - Retraining of Secondary grade teachers in Government Service in the Basic Training Schools at Perianaicikenpalayam and Pentapadu.

- - - -

The Government have in their order No. 953 Edn. dated 22nd April 1948 approved of my proposal to retrain 35 secondary and higher elementary trained teachers under local bodies and private managements in Basic Education in each of the Basic Training Schools at Perianaickenpalayam and at Pentapadu.

2. Since there is no sufficient number of Basic Trained Secondary Grade teachers in Government service for employment in the Model Schools attached to Basic Training Schools, I have deputed 10 secondary grade teachers from Government service to Perianaickenpalayam for retraining. In addition to these 10 teachers, 25 teachers have also been selected from institutions under local bodies and private managements.

3. With a view to introduce Basic Education in the Agency tract as required in your D.O. No. 99854-B2/47.3 Edn. and Public Health dated 30th March 1948 each of the Agents to the Government of Madras, Vizagapatam, East Godavari and West Godavari has deputed 3 teachers from Government service for retraining in Basic Education in the Basic Training School, Pentapadu. Besides these 9 teachers, 26 teachers from institutions under local bodies and private managements have also been deputed for retraining at Pentapadu.

I request the Government to approve of my action in having included 19 Government servants and deputed them for retraining in the Basic Training Schools at Perianickenpalayam and Pentapadu.

Yours faithfully,

Sir,

Ref: G.O. (Ms) No. 953 Edn. dated 22nd April 1948.

- - - - -

The Government in their order cited above approved the deputation of 35 L.T. teachers, 25 from Government service and 10 from aided training schools in each of the Basic Training Schools at Perianaickenpalayam and at Pentapadu. Since it is the intention of the Government that Basic Education should be introduced in all the firkas selected for rural development I am submitting proposals separately as Part II Schemes for the year 1949-50 for the opening of as many as 34 new Government Basic Training Schools during 1949-50. For the purpose it is necessary to have a larger number of L.T. teachers in Government service trained in Basic Education, I therefore consider that the number of deputees from Government service this year in each of the 2 Basic Training Schools should not be restricted to 25, but may go up to 35 providing if necessary a few seats for aided schools in hard cases.

2. In the circumstances stated above, I request Government to approve of my suggestion to restrict the retraining of L.Ts in Basic Education this year mainly to Government servants in both the Basic Training Schools at Perianaickenpalayam and Pentapadu. I may, however, be permitted to depute a few L.T. teachers from aided training schools in case of real need. I shall take care to see that the total number to be deputed does not exceed 35 in each of the 2 basic training schools.

3. I request the favour of early orders of the Government in the matter.

Yours faithfully,

In the circumstances explained by the Director of Public Instruction, the Government approve his proposal to increase the number of L.T. teachers to be retrained in each of the Basic Training Schools at Periyanaickenpalayam and Pentapadu beyond the figure 25 fixed in G.O. No. 953 Edn. dated the 22nd April 1948, the number of teachers to be selected from aided training schools being reduced correspondingly.

Roc. No. 115-C4/49 dated 16th February 1949.

Sub: DEPUTATION OF TEACHERS FOR RETRAINING IN BASIC EDUCATION - Period from the date of relief to the date of joining the Basic Training School and admissibility of House Rent Allowance during the period.
Ref: G.O. No. 953 Edn. dated the 22nd April 1948.

- -

In accordance with the orders of Government referred to above, some officers in the combined category of School Assistants and Deputy Inspectors of Schools were deputed for betraining in Basic Education in Wardha, Periyanacikenpalayam and Tentapadu commening from November 1948 ~~to~~ in Wardah and from December 1948 in the other two centres and lasting for five months. The heads of offices were requested to relieve the officers concerned in time to join the training on 1st November 1948 and 1st December 1948 without fail. As the duration of the training course is five months and with a view to enabling the trainees to join the Training on the prescribed dates, the officers were relieved some days in advance as it was presumed that this period could be reckoned as transit.

2. Under Note 2 under Fundamental Rule 105 (d) a Government servant deputed for training is allowed only the time required for the journey between the place of training and the station from which he proceeds and the time so taken is to be treated as part of the training. As per rule 98 (a) of the Madras Travelling Allowance Rules, a Government servant deputed to undergo a course of training which exceeds two months may draw Travelling Allowance under the Rules as for journeys on transfer. As they had to prepare themselves for ~~journeys on transfer~~ staying centres the period required for the journey alone would not suffice for the purpose and so I recommend that the period from the date of relief to the date of joining the training centres be treated as transit.

3. As the trainees have been ordered to live in the Hostel during the period of training and share the common food they ~~have~~ had to leave the families in the places where they were prior to deputation, I therefore recommend that such of the officers as were in receipt of House Rent Allowance be permitted to draw the allowance admissible under the rules for the period of training provided their families continued in the same station during the period.

I request the favour of early orders on this reference.

Yours faithfully,

Sd/. for Director of Public Instruction.

From the Director of Public Instruction, Roc. No. 115-C4/49 dated the 16th February 1949.

The Director of Public Instruction is informed that there is no objection to the period (allowed for preparation for the officers referred to in his letter) from the date of relief to the date of leaving the stations for joining the training centres, being treated as casual leave, provided that the period did not exceed a couple of days and that the grant of the casual leave would not cause any evasion of the rules regarding the date of reckoning allowance and charge of office with reference to Audit Instruction 5 (1) under Fundamental Rule 105 in the Audit Manual.

2. The Government approve the Director's proposal that such of the officers as were in receipt of house rent allowance may be permitted to draw them for the period of their training provided their families continued to live in the old stations during the period.
